Student Satisfaction Survey 2019-20

Student Satisfaction Survey is conducted successfully every year and actions are taken as per the feedback received. Following are the major findings:

- Students were highly satisfied with the quality of teaching. They were also satisfied with pedagogy used by faculty members.
- Students communicated about timely completion of course which was well enriched with additional academic inputs.
- Majority of students were satisfied with the depth and scope of course content.
- Majority students agreed that infrastructural arrangements are top class in the institute.
- Students were satisfied with available medical support and ambulance facility in the institute.
- Majority of students were happy with the Sports, Cultural Extra-curricular and related Activities in the Institute.
- Most of the Students showed their thankfulness for significant faculty guidance. Students highlighted improvement in personalities of their classmates.
- Most of the Students realized that their course outcomes are sufficiently achieved.
- Students appreciated the institution efforts for organising industry orientations and placement opportunities to the students.
- Students agreed that Library facilities are sufficiently available and adequately fulfilling the requirements of students.
- In totality, Students had very high level of overall satisfaction from the Institute.
